Zert GmbH

CERTIFICATE

2516-CPR-1008-038-14023

As per Construction Products Regulation 305/2011 of the European Parliament and Council dated 9th March 2011, laying down harmonised conditions for the marketing of construction products and repealing Directive 89/106/EEC, published in the Official Journal of the European Union on 4th April 2011, it is hereby confirmed that

the construction products:

Bitumen and bituminous binders.

Framework for specifying polymer-modified bitumen

produced by manufacturer:

Esha Infra Solutions bv

Hoendiep 316, Postbus 70038

9704 AA Groningen

at delivery works:

Groningen

are subject to initial testing and in-house production control by the manufacturer.

The certification body confirms that the initial inspection of the manufacturer's works and in-house production control (2011), and ongoing monitoring and assessment of in-house production controls were carried out on 07.02.2017.

This certificate confirms that all processes prescribed to demonstrate the conformity of the construction products as per

Appendices ZA of standard:

EN 14023: 2010

were conducted and found to comply with the requirements referred to therein for the declaration of performance under System 2+. The manufacturer is therefore entitled to apply the CE markings on construction products manufactured in accordance with the aforementioned standard.

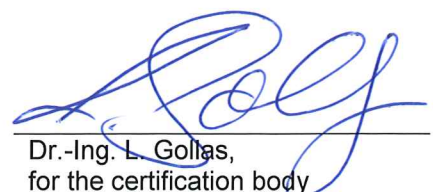

The certificate is valid until 30.06.2018. It shall however remain valid provided there are no significant changes in the definitions of the technical specifications set out, or manufacturing conditions in the factory, or in-house production controls.
